Conditions of Acceptance

- A current certificate of inoculation against Typhus-Coryza must be produced before a cat is accepted.
- In the event of sickness, the veterinary practice in Montpon-Menesterol will be used and all veterinary accounts will be settled by the owner.
- Boarding rates are: 9€ per day for a single cat and 14€ per day for a pair sharing (from the same household). This includes the day of arrival. No charge will be made for cats collected before 12.00pm on the day of departure. Price includes food and heating.
- Whilst every possible care is given, cats are boarded entirely at the owner's risk.
- Whilst every possible care is given to articles left with the boarder, the cattery cannot be held responsible for loss or damage sustained.
- All accounts must be settled before the cat is removed from the premises.
- All cats left uncollected 21 days after the end of the boarding agreement, without contact from the owner or agent, will be deemed the property of the cattery.

I agree to the above conditions and confirm that all details are correct.
